NOTICE TO MARINERS

No.9 – 2011

HEYSHAM PORT LIMITED

ROCK ARMOUR

HEYSHAM HARBOUR AND APPROACHES

Notice is hereby given that Rock Armour has been laid over submarine cables in the vicinity of H6 buoy. This has caused a reduction in available water just within the buoy line causing a minimum depth of 5 metres below Chart Datum.

The feature stretches between the following positions: -

054° 00.48' N 002° 58.66' W

054° 00.39' N 002° 58.78' W

Mariners are instructed to Navigate with extreme caution within this area.

CAPTAIN S.F. GALLIMORE
Harbour Master

10th October 2011
